

ORANGE

SEASON

**With road construction season in full swing,
we realize it can be frustrating.
Our goal at Topeka Metro is to get everyone
where they need to go safely and timely.
During these months of construction,
we ask you to please be patient!**

**Here are some helpful tips to help
minimize aggravation:**

 **Arrive early to your bus stop and have your payment ready when you board the bus.**

 **If you realize the bus may be running late, don't panic. Just contact your employer, medical appointment, etc., to alert them you may be a few minutes late.**

 **Listen to some calming music, read, or meditate silently in your seat.**

 **Think of the smooth streets around town in November!**
