Presents

# Topeka Community Conversation for Poverty Reduction

Bringing Topeka together to generate solutions to issues surrounding poverty in our community.

**September 15, 2018**

**8 AM – 3 PM**

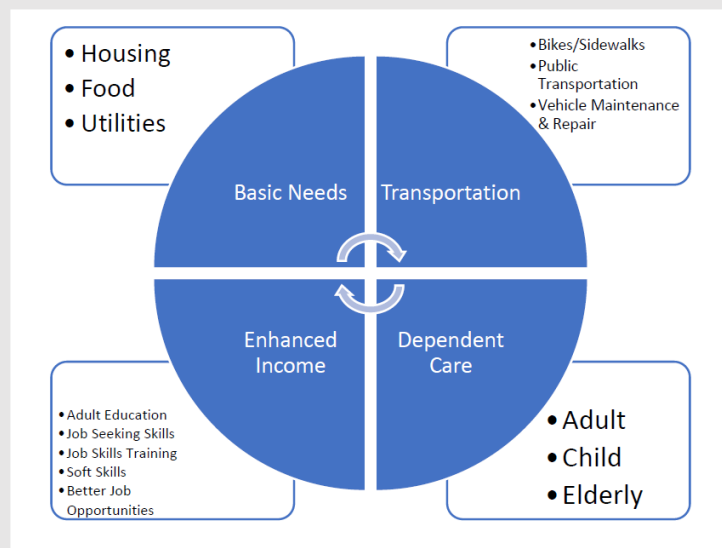

The mission of the first Community Conversation for Poverty Reduction is to create a diverse, community-wide understanding of issues facing Topekans in poverty and focus on grassroots solutions that our community can take to address them.

*YOU bring knowledge of the issues and potential of your community.*

*YOU guide decisions that will help us all address the issues of poverty.*

**YOUR opinions are needed!**

The **Community Conversation for Poverty Reduction** is **YOUR** opportunity to get involved in the future of **Topeka**.
