*Meet you there!*

## Monarch & Pollinator Class

### Monarchs, Milkweed & Waystations

The monarch butterflies need our help now! We can help protect them by learning what to plant to attract them, the many different kinds of milkweed, how to grow them and how to build monarch habitats in your home gardens, parks or road sides.

🦋 Presented by Environmental Landscape Designers:

Elsie Gibeson & John Kerl

🦋 Free milkweed plants

**Sept. 5**

- 🦋 Wed. 6:30-7:30 p.m.
- 🦋 All Ages Welcome
- 🦋 Pre-Registration Required
- 🦋 Free Class!
