

# RECYCLE GLASS

## Glass can no longer be placed in your curbside recycling cart

The current recycling process cannot process the glass in a clean enough manner for it to be sold as a recyclable commodity.

Glass isn't collected in most area curbside recycling programs any more. When mixed with other recyclables, broken glass contaminates those materials.

### Glass Recycling Locations:

Wehner's Thriftway

551 E Hwy 24 Traffic Way, Rossville, KS

Household Hazardous Waste Facility
