# ENHANCED CHILD CARE REFERRAL SERVICE IN SHAWNEE COUNTY

Finding child care today is more challenging than ever. Shawnee County families can now access additional help with their child care search. Child Care Aware® of Eastern Kansas is here to help! Resource Center staff will conduct an intake with families to gather information about their child care needs and generate a referral list, and contact each provider. This will help narrow the search to only programs that meet the family’s criteria and have a current opening for the child, saving the family valuable time choosing child care that meets the needs of their family. All services to parents are at no cost and all information shared is confidential.

For more information or to access this free service, Shawnee County families can call **785-357-5171** and select **option “1”** to speak with a knowledgeable Resource Specialist. The Parent Resource Center’s hours are 8:00 a.m. to 5:00 p.m., Monday through Friday.
