hope for the holidays

The holiday season is upon us. Consider giving the gift of empowerment by donating gift cards to support survivors and their families this holiday season. **Gift cards of \$25, \$50, \$75 and \$100 to general retail stores or VISA cards preferred,** but any amount will be greatly appreciated.

While the current COVID-19 pandemic has impacted the service delivery of our annual holiday giving, we are still on a mission to make this season a little brighter for those who are impacted by domestic violence, sexual assault, human trafficking and stalking.
