

65+ GET HELP SIGNING UP FOR THE COVID-19 VACCINE!

A large majority of our 65+ neighbors covered under the SCHED COVID-19 Phase 2 vaccination plan are unable to complete the required interest survey which is mandated to receive a vaccination appointment. In an effort to ensure equitability for all our 65+ neighbors we are scheduling Vaccination Survey Interest Form Mobile Pop-Up Events throughout the community. We estimate the survey completion time at 2-5 minutes per participant. In addition, each participant will receive a resource bag containing community resource information and a free 20 oz. bottle of hand sanitizer.

Social distancing mandates will be adhered to and PPE gear will be worn by all City of Topeka staff, AmeriCorps NCCC Sun 3 members and volunteers during the events in an effort to ensure everyone's safety. Participants will be required to wear a facial mask and remain in their car.

A cell phone number or an email address must be provided to complete the survey.

Saturday, March 6th
9:00 a.m. – noon
Hillcrest Community Center Parking Lot
1800 SE 21st Street
