Updates to Shawnee County COVID-19 Dashboard

Topeka, Kan. – The Shawnee County Health Department (SCHD) in partnership Shawnee County Geographic Information System (GIS) has made updates to specific tiles on the [COVID-19 Community Impacts Dashboard](#). The updates to the dashboard are being implemented to provide more consistency on specific case indicators in conjunction with the updated [Shawnee County COVID-19 Community Indicator Report](#) first released last week.

Additionally, updates will now only occur on Mondays, Wednesdays and Fridays consistent with reporting from the Kansas Department of Health and Environment.

Updates being implemented for today's update include the following:

- Updated **New Cases** tile to report cases by Date of Diagnosis
- Updated **Cumulative Confirmed Cases** tile to report cases by Date of Diagnosis
- Tile for **Individuals in Quarantine** has been removed
- Technical notes page updated

The new dashboard will replace the previous dashboard at the same link. It is available on the [SCHD homepage](#) and the direct link is:
