MEDIA RELEASE

Health Department Returning to Walk-In Immunizations

Topeka, Kan. – Many families’ routines were disrupted throughout the past year because of COVID-19 – including having regular checkups and receiving recommended vaccinations. Starting Thursday June 3, 2021 the Shawnee County Health Department will be returning to walk-in appointments for immunizations during the following business hours:

1:00 – 4:00pm: Monday, Tuesday, Thursday, Friday
2:00 – 4:00pm: Wednesday

Individuals will be able to continue scheduling appointments during morning clinic hours (8:00-11:00am) by calling 785.251.5700.

Children must be accompanied by a parent/guardian and everyone entering the building over the age of 2 is required to wear a mask. If accommodations are needed due to a medical condition please call 785.251.5700. Please bring only those needed to receive vaccinations in order to help limit the number of individuals in the facility at a time.

If an individual is in need of their vaccination records they may call SCHD – Medical Records at 785.251.5621

###

Shawnee County Health Department is committed to working in partnership with our community to promote and protect the optimal health of all people by bridging gaps to eliminate health inequities, respecting the diversity of our community, through adaptive and innovative processes.
