

Thanks to a grant from the Kansas Leadership Center, and in partnership with the College Hill Neighborhood Association, Westminster Presbyterian Church, and Ad Astra Fiber, **free Wi-Fi is now available in Boswell Square Park**. The Wi-Fi is available just south of the church, across the street in the parking lot. The Wi-Fi is available all day long for anyone to use, including children and adults. This is a service provided by the College Hill Neighborhood Association. For questions, please email [collegehillwifi@gmail.com](mailto:collegehillwifi@gmail.com).
