DIPLOMA COMPLETION

Do you need a high school diploma? Do you know someone that does?

ORION Diploma Completion and Learning Center has programs available for adults to earn their high school diploma. These programs are specifically designed for Kansas residents 18 and older whose original class has already graduated without them. Students earn credits by taking courses necessary to meet graduation requirements established by Orion Topeka's partnering school districts. Courses are available online, and students are supported by certified and dedicated staff. Enrollment dates for the 2021-2022 school year are listed below!

ADULT | DIPLOMA COMPLETION PROGRAM

ADULT | Diploma Completion Program is designed to help adults earn their high school diploma. If you're a Kansas resident, 18 years of age or older, and your high school class has already graduated, then you're eligible for enrollment. Students 18 & older can work at their own pace, online or on-site, and complete their needed courses with individualized instruction.

VIP

VIRTUALLY
INSTRUCTED
PLACEMENT

VIP | Virtually Instructed Placement is a virtual high school option designed specifically for high school age students. Eligible students must be referred to the VIP program by their school counselor and receive permission from their residence district. Students are allowed to work from home or any computer

that has a high speed internet connection. All students are assigned a Virtual Instructor to assist them with academic tutoring, effective time management strategies, test proctoring, and post-secondary planning. We utilize a blended learning approach, so students can attend on-site when they need one-on-one assistance from our highly qualified teachers.

E-FLEX

FLEXIBLE
CREDIT
COMPLETION

E-FLEX | Flexible Credit Completion is an opportunity for students to make up credits during school, after school and/or in the summer. E-Flex is designed to provide students and school districts with high quality, online courses that will

fit into busy school schedules. We work directly with high school counselors to identify the E-Flex courses that best meet each student's individual learning plan.
