

Good Morning!

Applications **close Friday at 5 p.m.** for our 7th annual Season of Sharing holiday giving program. If you know of an individual or family in the Topeka/Shawnee County area in need of a hand up this season, please **nominate them or encourage them to apply at** www.ourcommunitycares.org As a reminder we are unable to help with bill payment or the purchase or repair of vehicles.

This program supports individuals and families during the holiday season by providing unique services or fulfilling needs that cannot typically be met by other holiday giving programs. We will grant wishes to recipients from Thanksgiving Day to Christmas Day.
