

Protect Yourself from COVID-19 Variants

The best tools to help stop the spread of COVID-19 & prevent severe illness, hospitalization & death:

Get vaccinated & boosted

Whether first shot or booster, find your vaccination destination at [vaccines.gov](https://www.vaccines.gov) | [vacunas.gov](https://www.vacunas.gov)

Wear a mask

Regardless of vaccination status, wear a mask in public indoor settings where COVID-19 transmission remains high

Get tested

Visit [KnowBeforeYouGoKS.com](https://www.KnowBeforeYouGoKS.com) or purchase an at home test kit from grocery stores & pharmacies

Physically distance

Stay at least 6 feet from other people when in public, especially if you are at higher risk of getting sick
