**WHO WOULD BE COVERED  
UNDER MEDICAID  
EXPANSION?**

Kansas has some of the most strict requirements to qualify for Medicaid in the U.S. Expanding KanCare would make health coverage available to 150,000 additional Kansans by updating the eligibility rules that exclude them today. If your yearly income falls between the two numbers below, you would become eligible for KanCare with expansion:

**1 PERSON HOUSEHOLD:**  
\$5,164 TO \$18,754

**2 PERSON HOUSEHOLD:**  
\$6,958 TO \$25,268

**3 PERSON HOUSEHOLD:**  
\$8,751 TO \$31,781

**4 PERSON HOUSEHOLD:**  
\$10,545 TO \$38,295

**5 PERSON HOUSEHOLD:**  
\$12,339 TO \$44,809

**6 PERSON HOUSEHOLD:**  
\$14,132 TO \$51,322

**7 PERSON HOUSEHOLD:**  
\$15,926 TO \$57,836

**8 PERSON HOUSEHOLD:**  
\$17,719 TO \$64,349

**TALK TO US!**

The Alliance for a Healthy Kansas is seeking individuals who make too much to qualify for KanCare, Kansas' Medicaid program, but not enough for private health insurance. By sharing your story with us, you can make a difference in the fight to expand KanCare to more people. We want to show our policymakers how living without health insurance impacts hardworking Kansans.

**DO YOU HAVE A STORY?**

We are looking for all different types of stories, including stories about:

- Medical debt
- Difficulties receiving treatment for chronic conditions
- Paying for treatments, like cancer treatment
- Trouble recovering from an injury
- Needs for mental or behavioral health treatment

**WHAT DO I NEED TO DO?**

Just talk! We'll write your story up and share it in ways you are comfortable with, which might include: our website, social media, with newspapers and TV stations, and with policymakers and lawmakers.
