Helping Hands
Humane Society, Inc.

Greetings! Weather is warming, and that means the HHHS animal numbers are soon to be on the rise! We'd love to have you financially support our life-saving work by sponsoring our spring fundraiser, Paws in the Park, a pet-friendly bazaar: featuring food trucks, pet activities, festival games, craft and vendor booths and so much more!

We aim to raise at least \$20,000 at this event to help us care for our pets and we need YOUR help to do it!

If you've been to this event before, you know what a wonderful time it is - socializing dogs, seeing a variety of breeds, and celebrating our community's love of animals and friendship. For questions about this sponsorship package, please e-mail me or call me at grace.clinton@hhhstopeka.org or 785-233-7325 ext 106.
